

## CONCLUSIONS

- Write your response to the project as a whole. Show how you have evolved in your thinking about your word by reflecting on your initial understanding of the word and what you now believe/know.
- Perhaps use one of your sources in the conclusion.
- Consider the role you want this word/set of ideas to play in your life.
- Try to be philosophical in your summation of your weeks-long relationship with a word and idea.
- Try to be original and fresh in your thoughts on your paper.
